### FROST NEEDED TO HELP TRADE; CROPS ARE OUT OF DANGER.

Confidence in Outlook for Next Dun's Review Declares Miles of Year's Business," Says Bradstreet's, "Is Notable Feature

of the Trade Situation." New York, Oct. 31.-Bradstreet's to-mor-

New York, Oct. 31.—Bradstreet's to-morrow will say:

Confidence in the outlook for next year's business is a notable feature in the trade situation. The volume of orders booked for next apring-delivery is large for this season of the year, and is explained partly by the exceptionally good business done on fall and winter account and the large crop yields of the year, and also by the good position of the winter wheat crop as cells weather approaches.

The absence of killing frosts at the South has also many the process. The season of the year and the trade of the maturing of a considerable to-good the maturing of the process of t active is the confidence with which the bujers have held of holiday goods and give orders for the kentation is still noted at some Southwestern arkets.

PRINCE VISITS SHOE FACTORY.

lamese Visitor Impressed by "Soro-

Lynn, Mass., Oct. 31.-The Crown Prince ested in the factory itself. He declared it to be a model one in every respect. He was particularly interested in the light, ventilation and the evident care for the welfare of the employes which was everywhere manifest. At the conclusion of the visit, the Prince thanked the proprietors for the courtesy shown him, and the entire party was photographed on the steps of the building, as a souven'r of the visit. The buildings of the "Sorosis" factory were beautifully decorated with the American and Slamese colors intertwined. The city gave itself up to a reception to the distinguished visitors and the town presented a holiday appearance.

SALOONKEEPER KILLS NEGRO. William McKay Says He Was Attacked by Goldby.

street, was shot in the back and instantkilled by William, allas Buck McKay, In the rear of McKay's saloon, at No. 302
South Seventh street, yesterday morning
about 9 o'clock.

McKay stated that Lena Marsh, a negress, came into the saloon and drew a
bucket of water from the hydrant. She
left the water running on the floor, he says,
and he slapped her for it. She ran from
the saloon and summoned several negroes,
among them Goldby, who, according to
McKay's statement, drew a pistol and fired
two shots at him. He then procured his
own revolver and fired the shot that killed
Goldby.

After the shooting the rolles found. in the rear of McKay's saloon, at No. 302

Goldby.

After the shooting the police found a revolver near Goldby's body, which was lying in the back yard. McKay ran to No. 415 South Sixteenth street, where he was arrested by Sergeant Mechan and three policemen. William Partiels, bartender in the saloon, was also held by the police.

reached here to-day on the transport Thomas, from San F mbarked at 10 o'clock thi gate the supposed suicide of J. P. Jones, who was in the city October 25, and wrote salute in his honor was enter from Fort Santiago.

General Davis and a squadr of cavalry met General Miles at the law place in Manila and escorted him to a palace, where Governor Taft and the ber members of the civil commission nited the visitor. General Miles has a ted General Taft's invitation to live he palace while here.

The garrison in Manila will reviewed by General Miles to-morrow. General will then proceed to Dagupan, we he will visit Colonel Charles L. Davis the Fifth Infantry, General Miles's old will return to Manila Sunday. salute in his honor was ente a letter to his step-brother, Benjamin J. Morris, captain of a fire company at Oma-ha, stating that he intended to kill himstating that he intended to kill himself.

Jones stated in his letter that to search for his body would be useless, as he had taken precautions to dispose of himself so no one would ever find him.

The man may have jumped into the Mississippi River, as no traces of him have been found. Morris referred the letter to the police, together with Jones' description. He is 25 years old, 5 feet 3 inches tall, and has dark complexion. He was a salesman and had been in Ill-health for four years. In his letter Jones mentioned his sister, Mrz. E. B. Kinney of Colorado Springs, Colo., saying the reason he left no letter for her was because he was too discouraged to write. DEVIL IN FOOTBALL

Chancellor Andrews

Sometimes Go Tog Lincoln, Neb., Oct. 31.-Chan min Andrews has told the st University of Nebraska that h ball enthusiasm and the de ball enthusiasm and the design went hand-in-hand. Such a parently, had followed the clincoln of Nebraska's victor nesota, when students capturer and partly dismantled the devil's work.

The Chancellor declared it been far better had the team than to have had such an ex The suit of Bert Deuell against the St.
Louis Transit Company for \$10,000 damages
for alleged personal injuries, was decided
in Judge Hough's division of the Circuit
Court yesterday in favor of the company.
Deuell claimed to have been fnjured in
attempting to get on a car at Broadway
and O'Fallon street. September 20, 1901.
Evidence was offered that he engaged in
a fight with a man some time afterward
and that he did not complain of being injured until after the alleged fight.

BURNS CAUSED CHILDDEATH Edward Ruckle Suffere Four Hours

Edward, the 3-year-old chil Mrs. Edward Ruckle of No. January street, died yesterday morni effects of burns sustained rom the with the fire in the kitchen of Thursday morning.

The child's clothing caught mother was in the yard. Bef reach the baby its body way the knees to the head. In a put out the fire her hands wourned. P. A. Taylor. St. Louis manager of the Great Western Cereal Company, takes exception to an item published in yesterday's Republic concerning the charge of forgery brought by him against Frank Coleman, a young man of No. 1308 Oilve street. Taylor says that the statement of the police, that the forgery was clever, is a mistake, but that the job was an awkward one. Coleman, a city salesman for Taylor, it is charged, forged a check for \$110 on the Missouri Trust Company.
